

Basic Scene Building in Improvisation

Ask yourself:

- Who?** **Who am I in this scene?**
*(How old am I? Where do I live?
What do I look like? What is my voice like? How do I move etc.)*
- What?** **What am I doing in this scene?**
*(What actions can I do to keep the scene interesting? What
actions do I need to show character and motives?)*
- When?** **When is this scene taking place?**
(When in time and when in history is this happening?)
- Where?** **Where is this scene taking place?**
(Where is the location, what is the weather like etc?)
- Why?** **Why is this scene taking place?**
*(What are the objectives of each of the characters in the
scene?)*
